(Chapter 11)**

**ORDER CONFIRMING DEBTOR AND UNSECURED CREDITORS COMMITTEE'S
AMENDED JOINT PLAN OF REORGANIZATION DATED OCTOBER 29, 2014 AS
MODIFIED**

CAME ON for hearing on the 8th day of December, 2014, the confirmation of the Debtor and Unsecured Creditors Committee's Amended Joint Plan of Reorganization Dated October 29, 2014 and the objections and other concerns raised by certain creditors and one other party-in interest. Debtor appeared by and through its Chief Executive Officer, Director of Finance, its Financial Advisor and its counsel. Also appearing in person or telephonically through counsel were the Office of the United States Trustee, the Unsecured Creditors Committee, Prosperity Bank, FRG Capital, Inc., Independent Bank, and the Comptroller of Public Accounts by and through the Office of the Attorney General.

The Court considered the agreements made by the Debtor with: (i) certain *ad valorem* taxing authorities (Arlington ISD *et al* [Dkt. No. 606] and Bexar County *et al* [Dkt. No. 609] which resulted in the withdrawal of their objections (Dkt. Nos. 617 and 620 respectively); (ii)

Independent Bank; (iii) Prosperity Bank; and (iv) the United States Trustee. The Court also heard the testimony of Debtor's Chief Executive Officer and Director of Finance and Financial Advisor as proffered by Debtor's counsel and by the individuals themselves, and heard the testimony of the Chairman of the Unsecured Creditor's Committee. Finally, the court considered the ballots and ballot summary prepared and filed by the Debtors.

With the announcements and changes (collectively "modifications") discussed at the hearing on confirmation, the Court finds that the Amended Joint Plan of Reorganization as modified meets the requirements set forth in 11 U.S.C. §§ 1122, 1123, and 1129. In particular, the Court finds that the specific elements of section 1129(a) are each either satisfied or not applicable, and that section 1129(b) is not applicable as all classes of creditors accepted the plan. The Court also finds that the compromise entered into between the Debtors and the Committee satisfied the applicable standards for approval of a compromise and settlement.

It is therefore

ORDERED that the Amended Joint Plan of Reorganization dated October 29, 2014, ("Amended Plan") attached hereto and incorporated herein as Exhibit "A" as filed by the Debtor and the Unsecured Creditors Committee with the modifications reflecting the agreements and court-ordered changes set forth in open court on December 8, 2014, as set forth in Exhibits "B", attached hereto and made a part hereof, shall become the Plan confirmed herein. It is further

ORDERED that the form of the Notices agreed to by the parties and ordered by the Court in connection with the resolution of certain objections by the Office of the United States Trustee as set forth in Exhibit "C" are approved. It is further

ORDERED that Debtor's Amended Joint Plan of Reorganization dated October 29, 2014, as modified be and hereby is CONFIRMED. It is further

ORDERED that the restrictions on the Debtor's exit financing which were imposed as part of the Final Order Approving Post-Petition Financing with Prosperity Bank [Dkt. No. 651] be and hereby are superseded by the Plan and, in particular, Paragraph 10.02.02 and no further Court Orders shall be necessary to close on the proposed exit financing or spend said sum. It is further

ORDERED that Debtor shall file an Application for Final Decree as soon as practicable after the Plan has been substantially consummated and the estate fully administered pursuant to Fed.R.Bankr. P. 3022.

ARTICLE II PROVISIONS APPLICABLE TO ALL CLAIMS

2.01 **Treatment of Claims.** This Plan is intended to treat and resolve all Claims against the Debtor and/or property of the Debtor of whatever character, whether contingent or liquidated, or whether allowed by the Bankruptcy Court pursuant to 11 U.S.C. § 502(a) as more specifically provided, *inter alia*, in Article IV of the Plan. Only Allowed Claims will be entitled to a distribution under the Plan. The Plan is designed to insure that Claimants shall receive at least as much pursuant to this Plan as they would receive in a liquidation pursuant to chapter 7 of the Bankruptcy Code

2.02 **Allowed Claims.** To receive a distribution under the Plan, a Creditor must have an Allowed Claim.

2.03 **Amount of Claims.** If the Debtor has scheduled a Claim and has not indicated that such Claim is disputed, contingent, or unliquidated or subsequently files an objection to a Claim, then the amount scheduled by the Debtor shall control unless the Creditor files a Proof of Claim in a different amount. If a creditor files a Proof of Claim, then the amount stated in the Proof of Claim shall control unless the Debtor or the GUC Trustee, as the case may be, files an objection to the Proof of Claim. If an objection to a Claim is filed, then the amount determined by the Court in a Final Order shall control. As of the Effective Date except as otherwise provided in the Plan (i) with respect to Claims and Equity Interests identified in sections 4.01 through 4.10, 4.14 and 4.15 of the Plan, Classes 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 14 and 15, only the Debtor shall be permitted to file an objection to a Proof of Claim or a scheduled claim (by amending the schedules up to the Effective Date to the extent such scheduled claim is not

disputed, contingent or unliquidated); and (ii) with respect to Claims identified in section 4.11 through 4.14 of the Plan, only the GUC Trustee shall be permitted to file an objection to a Proof of Claim or scheduled Claim in Classes 11, 12, 13 and 14. Notwithstanding the foregoing, Debtor and the GUC Trustee may agree to permit the other to file an objection in a class to which objections are limited to the other.

2.04 Allowance of Post-Petition Interest, Fees and Costs. Unless otherwise provided, a Claim shall not be entitled to post-petition interest, fees or costs. Neither the Reorganized Debtor nor the GUC Trustee, as applicable, shall be required to make specific objection to proofs of claim that allege a right to recover post-petition interest, penalties, fees and other accruals with respect to prepetition claims which are prohibited under 11 U.S.C. §502, and any claim amounts attributable to such post-petition interest, penalties, fees and other accruals shall be disallowed in full upon entry of the Confirmation Order. Notwithstanding the foregoing, an Oversecured Claim shall be entitled to interest at the non-default contract or statutory rate from the date of the Petition until the Confirmation Date. An Oversecured Claim arising under a contract shall be entitled to post-petition fees and costs if the contract so provides and if an application for allowance of post-petition fees and costs is timely filed and approved by the Court by a Final Order. (A Claim may be determined to be an Oversecured Claim if so designated by the Plan or if determined by the Court by a Final Order.) Any requests for allowance of post-petition fees or costs pursuant to 11 U.S.C. § 506(b) shall be filed within twenty-eight (28) days after the Effective Date or shall be barred.

2.05 Filing of Claims Arising From Rejection of Unexpired Leases or Executory Contracts. Any Claims arising from the rejection of unexpired leases or executory contracts shall be filed by the date specified in the order rejecting such lease or contract. If no date is specified, the date for filing a rejection claim shall be the later of (a) the general claims bar date of July 28, 2014 previously fixed in this case or (b) twenty-eight (28) days after service of any order approving the rejection of a lease or other executory contract as per the Bankruptcy Court's Order entered June 10, 2014 [Dkt. No. 255].

2.06 Filing of Administrative Expense Claims. Any requests for allowance of Administrative Expense Claims (including Fee Claims) which are not specifically listed as undisputed or are listed without an amount and any requests for payment of Fee Claims shall be filed within six (6) weeks (forty-two (42) days) after the Effective Date or shall otherwise be barred.

2.07 Filing of Cure Claims. Any Cure Claims shall be filed within four (4) weeks (twenty-eight (28) days) after the Effective Date or shall be barred unless otherwise agreed by the parties.

2.08 Filing of Claims Arising from Avoidable Transfers. A person who is found to have received a voidable transfer shall have four (4) weeks (twenty-eight (28)) days following the date from which the order ruling that such transfer is avoidable or approving the settlement of a suit on an avoidable transfer becomes a Final Order in which to file a Claim in the amount of the settlement or the avoided transfer, whichever is less.

2.09 Filing of Contingent Claims. Any claim relating to contribution or indemnity against the Debtor which is contingent as of the Effective Date shall not be allowed unless: (a)

the party makes a payment which gives rise to a right of contribution after the Effective Date; and (b) files a proof of claim by the Bar Date.

2.10 Objections to Claims. Except as may otherwise be provided in this Plan or agreed to by the Debtor and the Committee in writing, only the GUC Trustee with respect to Classes 11, 12, 13, and 14 and the Debtor with respect to all other Classes and Class 14 may object to the allowance of a Claim. Objections to the allowance of a Pre-Confirmation Claim must be made prior to twenty-six (26) weeks after the Effective Date or after such claim is filed, whichever is later; *provided, however*, that this period of time for the Debtor and the GUC Trustee may be extended by Order of the Bankruptcy Court without notice or a hearing. Additionally, the Reorganized Debtor and the GUC Trustee may object to any claim or move to intervene in any claim objection filed by the other if the particular Claim and the object thereto will impact the classes for which the other is responses for payment. Any Proof of Claim filed after the bar date(s) set by the Court shall be of no force and effect and shall be deemed disallowed. Subject to the preceding sentences in this section, all Disputed Claims shall be litigated to Final Order by the Debtor or the GUC Trustee, as the case may be, and any settlement of a Disputed Claim shall not require approval of the Bankruptcy Court but shall require approval of the other to the extent there is an impact on a class for which the other is responsible for payment.

2.11 Estimation of Claims. Upon timely motion made pursuant to Fed. R. Bankr. P. 3018, the Court shall estimate the amount of any disputed claim for the purposes of determining feasibility or any other issue relevant to confirmation of the Plan.

2.12 No Distributions Pending Allowance. Disputed Claims shall not receive distributions until such time as the claim becomes an Allowed Claim.

2.13 Interest on Disputed Claims. No interest shall accrue on a Disputed Claim during the period from the Effective Date until the date on which the claim is Allowed, if ever.

2.14 Payment Dates for Claims to be Paid by the Debtor. Unless otherwise specified, all payments under the Plan to be paid by the Debtor with respect to Allowed Claims shall be due on the 16th day of the month. The first payments under the Plan shall be due on the first payment date which is at least fifteen (15) days after the Effective Date.

2.15 Purchased Claims. Subject to complying with applicable laws and rules of procedure, the classification of any Claim purchased by any Person shall not change the classification of such Claim.

2.16 Third Party Obligations. To the extent that any third party is jointly liable with the Debtor upon a Claim, whether by contract or by operation of law (including, but not limited to, a judgment), such obligation shall remain in force with respect to the Claim as modified by this Plan but not otherwise, unless such Claim is owed pursuant to an assumed lease of non-residential real property to which the Debtor is or was a counterparty or the Debtor's obligations thereunder (including, but not limited to, insurance obligations), which obligations will remain unaffected by the Plan. (To the extent that a Claim is classified in more than one class, the liability of the third party shall extend to the obligations under each applicable class.) All guarantees and other obligations except

obligations owed pursuant to or in connection with an assumed lease of non-residential real property to which the Debtor was or is a counterparty or the Debtor's obligations thereunder (including, but not limited to, insurance obligations), shall be deemed modified to reflect the restructuring of the primary obligations under this Plan. If the Plan is confirmed, a creditor may not enforce liability under a guaranty or other third party claim, except liabilities or claims owed pursuant to or in connection with an assumed lease of non-residential of real property or the Debtor's obligations thereunder (including, but not limited to, insurance obligations), unless the Debtor defaults under the Plan. In the event of default, only the amount owing under the Plan shall be recovered from the guarantor. This provision is intended to apply even to creditors who had previously recovered judgments against the guarantor. The affected third party may agree to waive this provision by agreement signed in writing prior to the Effective Date.

2.17 Surrender of Collateral. Wherever the Plan provides for surrender of collateral, it shall be the responsibility of the applicable secured creditor to make arrangements to take possession of such collateral from the Debtor at the expense of the secured creditor. Any such efforts shall be coordinated with the Debtor so as to minimize disruption to the Debtor's business. If any creditor shall fail to contact the Debtor to arrange to take possession of its collateral prior to twenty-eight (28) days after the Effective Date or shall fail to take actual possession within fifty-six (56) days from the Effective Date, such creditor shall waive its right to take possession of the collateral and the Debtor shall be entitled to retain such collateral free and clear of all liens and claims unless the parties agree to extend such deadline.

2.18 Section 1111(b) Election. Any election under Section 1111(b) shall be made in writing and shall be filed with the Court by the date of the hearing upon Debtor's Disclosure Statement. Debtor reserves the right to object to any Section 1111(b) election by a creditor whose collateral is of inconsequential value. In the event that a creditor makes a Section 1111(b) election which is not objected to, the Debtor shall continue to make the payments provided for in the specific class applicable to the creditor until such time as the total payments made equal the Allowed Claim of the creditor without post-petition interest, fees or costs. In the event that the creditor makes a Section 1111(b) election, its claim shall be deemed to be fully secured and the creditor shall not have an unsecured claim.

2.19 Valuation of Assets. Debtor's valuation of its assets shall control for purposes of this Plan, unless a Creditor files a Motion for Valuation contesting same within fourteen (14) days after entry of the Order approving the Disclosure Statement.

ARTICLE III CLASSIFICATION OF CLAIMS AND EQUITY INTERESTS; IDENTIFICATION OF IMPAIRED CLASSES

3.01 Creation of Classes; Impairment. 3.02 **Elimination of Classes.** Any class that is not occupied as of the date of the hearing on confirmation of this Plan by an Allowed Claim or a claim temporarily allowed pursuant to Fed.R.Bankr.P. 3018 shall be deemed deleted from this Plan for purpose of voting on acceptance or rejection of this Plan and for the purpose of determining whether this Plan has been accepted by such class pursuant to 11 U.S.C. § 1129.

3.03 **Impairment Controversies.** If a controversy arises as to whether any Claim or Equity Interest, or any class of Claims or class of Equity Interests, is impaired under this Plan, such class shall be treated as specified in this Plan unless the Bankruptcy Court shall determine such controversy upon motion of the party challenging the characterization of a particular Claim or Equity Interest under this Plan.

ARTICLE IV CLASSIFICATION AND TREATMENT OF CLASSES UNDER THE PLAN

4.01 **Class 1—Allowed Administrative Expense Claims.¹**

- (a) Class 1 consists of all Administrative Expense Claims (including, but not limited to, those arising under 11 U.S.C. § 503(b)(9).
- (b) Unless otherwise agreed or as set forth herein as a result of a prior agreement, each holder of an Allowed Administrative Expense Claim

¹ While administrative and priority claims are usually not “classified”, the proponents of the Plan have done so in this case for ease of reference; the “classification” of these claims does not alter the statutory rights of such claimants under the Bankruptcy Code.

other than recurring vendor claims and tax claims that come due in the ordinary course of business shall be paid the amount of its Allowed Administrative Expense Claim on the later of the Effective Date or within seven (7) days after the date that a Final Order is entered approving the Administrative Expense Claim, unless otherwise agreed to by and between the Debtor and the holder of such claim.

- (c) Vendor and other current payables qualifying as Allowed Administrative Expense arising in the ordinary course of business shall be paid according to their terms.
- (d) No Administrative Expense claims, except for vendor claims arising in the ordinary course of business as well as U.S. Trustee's Fees, shall be paid except as approved by Court Order. Proofs of claim asserting putative Administrative Expense Claims, even if not objected to, shall not be sufficient to constitute approval of an Administrative Expense Claim.
- (e) Allowed Fee Claims incurred through confirmation only by professionals retained by the Debtor will be paid upon the entry of an Order by the Bankruptcy Court approving same with such fees to be paid on the later of the Effective Date or within seven (7) days after entry of a Final Order approving said Claims, unless the parties agree to a later date. The Reorganized Debtor shall be responsible only for the professional's fees incurred by the Debtor's professionals after confirmation.
- (f) Allowed Fee Claims incurred through confirmation by all professionals retained by the Committee will be paid upon the entry of an Order by the Bankruptcy Court approving same from and by the GUC Trust on the later of the Effective Date or within seven (7) days after entry of a Final Order approving such Fee Claims. Committee Professionals shall also look to the GUC Trust only for fees they incur after confirmation.
- (g) Claims for United States Trustee's fees will be paid by the Debtor as they come due, both before and after the Effective Date.
- (h) Except for payment of the Allowed Fee Claims of Committee professionals and any reimbursement of expenses incurred after confirmation by Committee member, which shall be payable from the GUC Trust, the Reorganized Debtor is solely responsible for payment of all Allowed Class 1 Claims.
- (i) Class 1 is not impaired.

4.02 **Class 2—Allowed Non-Tax Priority Claims.**

- (a) Class 2 consists of Allowed Non-Tax Priority Claims under 11 U.S.C. § 507(a). The only Claims falling into this Class as of the Petition Date were those for Wages, Salaries and Commissions pursuant to 11 U.S.C. §§ 507(a)(4) and (5)(collectively, "Prepetition Employee Claims").
- (b) *Pre-Petition Employee Claims* owed on Petition Date, except as set forth below, were fully paid to all employees other than insiders pursuant to a Bankruptcy Court Order entered on April 3, 2014. To the extent any Prepetition Employee claims were not paid or paid less than the amount owed and are filed and allowed (if not scheduled or disputed), the amount of each Allowed Prepetition Employee Claim in this class shall be paid by

the Debtor on the later of the Effective Date or seven (7) days after the entry of a Final Order allowing said Claim.

- (c) *Accrued Vacation, Severance or Sick Leave* (collectively, “Employee Vacation Claims:”) earned and owed as of the Petition Date were not paid pursuant to the Bankruptcy Court’s Order of April 3, 2014. Employee Vacation Claims have been and will continue to be paid and or otherwise honored by the Debtor in the ordinary course of business according to the Debtor’s pre-petition practices and procedures.
- (d) *Employee Programs*. Employee Programs (“Employee Program Claims”) include, but are not limited to Claims arising from medical, dental, life and disability insurance, 401(k) investment programs and workers’ compensation programs. The Bankruptcy Court’s Order of April 3, 2014, allowed Debtor to continue its Employee Programs and to collect and distribute any and all pre-petition amounts attributable to its 401(k) Plan. To the extent Debtor discovers any shortfalls of any type with respect to these programs or any of its providers file claims giving rise to Employee Program Claims, any such amounts shall be paid by the Debtor on the later of the Effective Date or seven (7) days of the Final Order on a particular Claim.
- (e) *Other Employee Claims*. As of the Petition Date, there were two Employee Claims pending against the Debtor (“Miscellaneous Employee Priority Claims”), which Debtor disputes and which constitute Disputed Claims. Neither appears to qualify as a Priority Claim. However, to the extent that a Miscellaneous Employee Claim is tried and Debtor does not prevail or wishes to settle any such Claims, that portion of any judgment against the Debtor that falls into this Class as an Allowed Miscellaneous Employee Claim shall be paid by the Debtor as an Allowed Priority Non-Tax Claim up to the ceiling set for in 11 U.S.C §§ 507(a)(4) and (5) within seven (7) days after the judgment or order approving the settlement, whichever is appropriate, becomes a Final Order. Any recovery in excess of the ceiling or which falls outside the ambit of 11 U.S.C. §§ 507(a)(4) and (5) shall be classified as a Class 10 Claim and shall be paid *in pari passu* with the treatment afforded other claims in Class 10.
- (f) Class 2 is not impaired.

4.03 **Class 3—Allowed Claims of the Internal Revenue Service.**

- (a) Class 3 consists of all the Allowed Claims of the Internal Revenue Service (“IRS” or “Service”). Said claims are for FUTA (Form 940) taxes owed by the Debtor for 2013 and the employer’s portion of WT-FICA (Form 941) taxes for the first quarter of 2014 up to the Petition Date.
- (b) Debtor will pay the allowed priority portion of these claims in the approximate amount of \$904,000 over forty-eight (48) months, beginning on the 16th day of the second full month after the Effective Date with interest at 3% per annum. The first forty-seven payments shall be \$20,000.00 and the forty-eighth payment shall consist of the remainder owed.
- (c) The allowed general unsecured claim of the Service (approximately

\$266,000.00) shall be paid as a Class 12 General Unsecured Claims or the Class 11 Convenience Class Creditors, should the Service elect to reduce its claim to be eligible for treatment as a Class 11 Claimant.

- (d) Debtor has remained in tax compliance since the Petition Date. It shall remain in federal tax compliance after the Effective Date. This includes, but is not limited to, timely filing returns, making tax deposits, and paying taxes on the due date. Any failure of it to do so shall constitute a default by the Debtor under this Plan.
- (e) The Allowed Priority Tax Claim of the IRS is a non-dischargeable debt, except as otherwise provided for in the Bankruptcy Code or agreed to herein, and, if the Debtor should default, the IRS is no longer subject to the provisions of the Bankruptcy Code and may take actions against the Debtor authorized by applicable non-bankruptcy law to collect said debt.
- (f) Except for payment of the Service's allowed general unsecured claim, the Reorganized Debtor is solely responsible for payment of all Allowed Class 3 Claims.
- (g) Class 3 is impaired.

4.04 **Class 4—Allowed Claims of State and Local Taxing Authorities (Non-Ad Valorem Taxes.**

- (a) Class 4 consists of the pre- and post-petition claims of the taxing authorities of the taxing jurisdiction in which Debtor conducts business for one or more of the following taxes: sales, income, franchise, employment or liquor taxes.
- (b) In particular, Debtor's Schedules reflect a total owed for taxes in this class of \$975,159.56. This amount did not reflect certain pre- and post-petition payments on this amount. Adjusting the amounts initially scheduled with more up-to-date information, Debtor estimates the amount owed as of this date to be approximately \$ 343,900.00.
- (c) As of the Effective Date of the Plan, Debtor will be current on all pre- and post-petition filings of any kind due to all Class 4 state and local taxing authorities and will be current in its payments for all post-petition taxes due to these authorities which accrued and have become due post-petition.
- (d) Debtor shall pay Class 4 including interest accruing at 4.25% per annum from the Effective Date in forty-seven (47) monthly installments of \$7,804.00 beginning on the 16th day of the second full month after the Effective Date and continuing with an identical amount on the 16th day of each month thereafter with the remainder due on the 16th day of the 48th month. The Allowed Claims in this class will be paid *pro-rata* based on each taxing authority's Allowed Claim to the total Allowed Claims in the class. If the claims of the creditors in this class do not qualify and/or are not allowed as a priority claim pursuant to 11 U.S.C. § 507(a)(8)(e.g. penalties), they will be paid as Class 12 General Unsecured Creditors or with the Class 11 Convenience Class, if a particular creditor falls in to this Class or elects to reduce its Claim to qualify for payment as part of said Class.
- (e) To the extent any claim is disputed, payments will begin on the later of the

date set forth above or the 16th day of the first full month after the Order Allowing the Claim(s) becomes final and non-appealable; the first payment will bring the allowed claim *in pari passu* with the other creditors in the class and subsequent payments will be made *pro rata* with distributions to the other claims in the class.

- (f) Class 4 Allowed General Unsecured Claims will be paid as Class 12 General Unsecured Claims.
- (f) Class 4 is impaired.

4.05 **Class 5—Allowed Claims of Local Taxing Authorities for *Ad Valorem* Property Taxes.**

- (a) Class 5 consists of the Allowed Claims of Local Taxing authorities for all *ad valorem* property taxes for real and personal property owned by the Debtor as of the Petition Date.
- (b) *Pre-Petition Ad Valorem Tax Claims on Business Personal Property.* Debtor is responsible for the *ad valorem* property taxes on its business personal property (“BPP Taxes”). Debtor estimates that it owes \$250,750.00 for unpaid BPP Taxes for all tax years through 2014. This sub-class of taxes will be paid along with interest at the statutory rate for each particular taxing jurisdiction² beginning on the 16th day of the second full month after the Effective Date and continuing on the 16th day of the succeeding forty-six (46) months in a like amount with a balloon payment of the remainder owed on the 16th day of the forty-eighth (48th) month in the approximate amount of \$6,585.00 per month. Creditors in this class will be paid *pro rata* based on the amount of each of their claims compared to the total amount of allowed claims in the Class. These taxes will be paid only up to the value of the estate’s interest in the personal property located in the taxing jurisdiction pursuant to 11 U.S.C. § 502(b)(3).
- (c) *Pre-Petition Ad Valorem Real Property Tax Claims*
 - (i) *Assumed Leases—Real Property Tax Claims Through 2013.* Subject to Section 5.08, *infra*, or another agreement by the Debtor with a particular landlord whose lease/leases are being assumed, delinquencies through 2013 will be paid on the later of the 16th day of the second full month after the Effective Date or within seven (7) days of the date an order of the Bankruptcy Court approving the assumption of a particular lease or, if the amount is disputed, determining the amount of the claim becomes final and non-appealable.
 - (ii) *Assumed Leases—2014 Real Property Tax Claims.* Real property taxes for 2014 will be paid as they come due.
 - (iii) *Rejected Leases.* Class 5 does *not* include real property taxes for which Debtor is derivatively responsible by virtue of its non-

² For purposes of the numbers in this Plan and the projections being used to support it and because the majority of Debtor’s assets and largest number of its restaurants are in Texas, the statutory rate in Texas of 12% per annum has been used.

residential real property leases. The delinquent real property *ad valorem* taxes owed by the Debtor as part of a lease it has rejected or ultimately rejects as part of this Plan will be paid as part of a particular landlord's allowed general unsecured claim *pro rata* along with the other creditors with Class 13 General Unsecured Claims, subject to the landlord's compliance with Article V and Section 5.05 in particular.

- (d) To the extent any claim is disputed, payments will begin on the later of the date set forth above or the 16th day of the first full month after the Order Allowing the Claim(s) becomes a Final Order and non-appealable; the first payment will bring the allowed claim *in pari passu* with the other creditors in the class and subsequent payments will be made *pro rata* with distributions to the other claims in the class.
- (e) The taxing authorities will retain any liens to which they are entitled under state law until such time as their Allowed Claims are paid in full.
- (f) Class 5 is impaired.

4.06 Class 6—Claims of GE Capital Business Asset Funding as successor-in-interest to GE Capital Franchise Finance Corporation.

- (a) Class 6 consists of the Claims of GE Capital in the total principal amount of approximately \$2,154,000.00. These Claims are based on five notes. The proceeds of three of these notes were used to construct the buildings out of which Debtor's restaurant in Lafayette, Louisiana (Store No. 87) was operated and its restaurants in San Antonio Texas (Store No 103) and Baytown, Texas (Store No. 89) are still operating; GE Capital has liens against all three buildings. The proceeds from the other two loans were used to purchase the furniture, fixtures, and equipment for Stores 103 and 89 and GE Capital holds purchase money security interests on this personalty for both of these notes. GE asserts that these five (5) notes are cross-collateralized with each other and other loans between the Debtor.
- (b) The amount of GE Capital's Secured Claim is not easily ascertainable. If Debtor is able to sell the building and its contents in Lafayette, the Lafayette Loan will be almost fully secured. Similarly, if it continues to operate the San Antonio and Baytown restaurants, those loans will be close to, if not fully, secured. However, if the buildings revert to the landlords at these three locations, the claims for these five loans will be, for all intents and purposes, unsecured.
- (c) Debtor will pay GE Capital in full and final satisfaction of GE Capital's Allowed Claims a lump sum payment of \$830,000.00 less any sums paid as adequate protection on or before December 15, 2014.
- (d) Should the Debtor default on its payment or payments to GE Capital under this Plan, GE Capital may exercise all of its rights and remedies under applicable non-bankruptcy law, including but not limited to, the right to conduct a non-judicial foreclosure sale. However, GE Capital must provide Debtor with notice and an opportunity to cure pursuant to Article XV of the Plan.
- (e) GE Capital shall retain the liens on its collateral until it has been paid in

full pursuant to Paragraph 4.06(c), *supra*, unless otherwise agreed to by the parties. GE Capital agrees to look solely to its collateral and the Reorganized Debtor for the satisfaction of its claims and waives any Claims that would otherwise constitute general unsecured Class 11, 12, 13 or 14 Claims payable from the GUC Trust Assets.

- (f) Class 6 is impaired.

4.07 Class 7—Allowed Secured Claim of Prosperity Bank.

- (a) Class 7 consists of the secured claim of Prosperity Bank in the approximate amount of \$1,179,872.55 arising out of its refinancing in 2012 of the real and personal property used by the Debtor in the operations of its Company Store 102 located at 4157 Buffalo Gap Road, Abilene, Texas (“Abilene Property”). This restaurant was closed in December of 2013.
- (b) Debtor has been actively marketing the Abilene Property since December of 2013. On or about June 14, 2014, Debtor entered into a Contract of Sale with LG Acquisitions, LLC for the Abilene Property in the amount of \$1,725,000. This Contract of Sale was approved by the Court but was timely terminated by LG Acquisitions during its contingency period. Moondance Investments, Ltd., a Texas limited partnership owned by Lynn Ford and Creed Ford III, has offered to purchase the Abilene Property for the same purchase price less the six percent (6%) commission that would have been paid under the LG Acquisitions Contract. An Order has been requested of the Court to permit any offer received within six percent (6%) of the \$1,725,000 purchase price without further Court approval.
- (c) Prosperity Bank’s Allowed Claim will be paid in full out of the proceeds of the sale of the Abilene Property at closing in full and final satisfaction of same. To the extent its claim is disputed, the Abilene Property shall be sold free and clear of liens and other encumbrance and proceeds sufficient to pay the amount Prosperity Bank believes it is owed will be escrowed until an Order Allowing the Claim(s) becomes final and non-appealable, at which time Prosperity Bank will be paid the full amount allowed out of the escrow.
- (d) Should the Abilene Property not have been sold on or before the Effective Date, Debtor will bring its payments under the Prosperity Real Estate Lien Note current, to the extent they are not, on or before fifteen (15) days after the Effective Date and begin making the monthly payments due under said Note on the 16th day of the following month. Debtor does not believe it will be required to pay anything to bring the Note current as it has been providing adequate protection to Prosperity during the pendency of the case. Monthly payments of \$ 10,123.80 will continue until such time as the Abilene Property is sold.
- (e) Class 7 is not impaired.

4.08 Class 8—Allowed Secured Claim of Independent Bank.

- (a) Class 8 consists of the secured claim of Independent Bank pursuant to a

Promissory Note dated December 10, 2008, and modified on December 5, 2011, in the original principal amount of \$812,000.00 (“Pearland Note”). The Note is secured by a Deed of Trust on real estate with all improvements locally known as 3050 Silverlake Village Drive, Pearland, Texas and a UCC-1 on the furniture, fixtures and equipment located on the premises. As of the Petition Date, the outstanding amount owed to Independent Bank was \$603,252.58.

- (b) Independent Bank shall be treated as fully secured on the Pearland Note as of the Petition Date. In full and final satisfaction of the Pearland Note obligations on any claim by Independent Bank arising from this Note, the Class 8 Allowed Claim will be treated as fully secured and paid as follows: (i) adequate protection payments until the Effective Date; (ii) \$10,200.00 fifteen (15) days after the Effective Date; and (iii) the same amount on the 16th day of each succeeding month for the next seventy (70) months with a balloon payment in the seventy-second (72nd) month. Interest will accrue at 4.25% per annum.
- (c) Should the Debtor default on its payments to Independent Bank under this Plan, Independent Bank may exercise all of its rights and remedies under applicable non-bankruptcy law, including but not limited to, the right to conduct a non-judicial foreclosure. However, Independent Bank must provide Debtor with notice and an opportunity to cure pursuant to Article XV of the Plan.
- (d) Independent Bank shall retain the liens on its collateral until it has been paid in full pursuant as set forth in Paragraph 4.08(b), *supra*. Independent Bank agrees to look solely to its collateral, the proceeds thereof, and the Reorganized Debtor for the satisfaction its Claims and waives any Claims that would otherwise constitute general unsecured Class 11, 12, 14 or 14 Claims payable from the GUC Trust Assets..
- (e) Class 8 is impaired.

4.09 **Class 9—Allowed Secured Claims of FRG Capital, LLC.**

- (a) Class 9 consists of the Allowed Claims of FRG Capital, LLC, a limited liability company wholly owned by Creed Ford III and Lynn Ford. The original promissory note in the principal amount of \$13,000,000.00 was executed by Debtor on or about January 1, 2011, for the purchase of the preferred stock of Rosewood Capital and was secured by a blanket lien on all of Debtor’s personal property, both tangible and intangible. A second promissory note (“Secured Revolving Promissory Note”) was executed on or about February 5, 2013. The Secured Revolving Promissory Note was also secured by all of Debtor’s tangible and intangible personal property. The total amount owed by the Debtor to FRG Capital as of the Petition Date, according to FRG Capital’s Proof of Claim, was \$ 13,560,385.76.
- (b) On May 20, 2014, the Unsecured Creditors Committee in this case made demand that the Debtor commence an action against insiders of the Debtor, including FRG Capital, or assign these claims to the Committee for prosecution. In particular, it asserted that FRG’s loans to Debtor should be avoided, re-characterized or subordinated. Prior to the Petition

Date and prior to this demand letter, Debtor investigated these transactions; subsequent to the demand letter, it continued its investigation—including, but not limited to, the retention of neutral professionals. Debtor believed and continues to believe that these claims are without merit.

- (c) As part of a settlement by and between the Committee representing the unsecured creditors in this case and the Debtor, the Ford Family, and FRG Capital which is represented by this Joint Plan, FRG Capital agreed to reduce its Allowed Secured Claim and accept less favorable repayment terms than non-insider creditors in exchange for a release of any and all claims of the estate or the creditors against it and its principals and the directors and officers of the Debtor. More particularly,
 - (i) FRG Capital's Allowed Secured Claim will be reduced to \$11,500,000.00 ("FRG Plan Claim") on the Effective Date of the Plan; and
 - (ii) the FRG Plan Claim shall continue to be secured by the blanket lien currently in place to secured the two existing notes;
- (d) Assuming the conditions set forth in Paragraph 4.09(c) have been met, the FRG Capital Plan Claim shall be satisfied by making ninety-six (96) monthly payments along with interest accruing at 4.25% per annum, beginning on the 16th day of the month of the Effective Date and continuing on the 16th day of each month thereafter. The Claim will be amortized over eight (8) years. Monthly payments shall be \$102,088.00. The 96th payment shall be a balloon payment of approximately \$4,500,000. These payments will be in full and final satisfaction of FRG Capital's claims against the estate. Current adequate protection payments will continue up to the Effective date.
- (e) Should the Debtor default on its payments to FRG Capital under this Plan, FRG Capital may exercise all of its rights and remedies under applicable non-bankruptcy law, including but not limited to, the right to conduct a non-judicial foreclosure. However, FRG Capital must provide Debtor with notice and an opportunity to cure pursuant to Article XV of the Plan.
- (f) FRG Capital shall retain the liens on its collateral until it has been paid in full pursuant as set forth in Paragraph 4.09(b), *supra*. FRG Capital agrees to look solely to its collateral, the proceeds thereof and the Reorganized Debtor for the satisfaction of its Claims and waives any Claims that would otherwise constitute general unsecured Class 12, 13 or 14 Claims payable from the GUC Trust Assets.
- (g) Class 9 is impaired.

4.10 **Class 10-- Unsecured Personal Injury and Employment Related Claims**

- (a) Class 10 consists of any Claims against the Debtor asserting personal injury or employment related claims against the Debtor as of the Effective Date, including, but not limited to, those claims discussed in Article IX of the Disclosure Statement.
- (b) The Reorganized Debtor will pay Allowed Claims in Class 10 that arose

prior to the Effective Date if, as and when due in the ordinary course of business. Class 10 claimants shall receive such treatment as agreed upon between the Reorganized Debtor and the Allowed Claimholder or, if no agreement is reached, the same final percentage distribution on its Allowed Claim as that received by the holders of Allowed Claims of the Class 12, 13 and 14 Creditors from the GUC Trust (*see* Paragraph 4.12, *infra*). The Reorganized Debtor is responsible for satisfaction of all Allowed Class 10 Claims and the Class 10 Creditors shall have no claim against the assets of the GUC Trust.

- (c) Class 10 is impaired.

4.11 **Class 11—Convenience Claims.**

- (a) Class 11 consists of all unsecured, non-priority claimants with Allowed Claims in the amount of \$2,000.00 or less or holders of Allowed Claims in excess of \$2,000.00 which reduce their claims to \$2,000.00.
- (b) Creditors with Allowed Convenience Claims will be paid an amount equal to 45% of the amount of their Allowed Claims in a single payment without interest as soon as practicable following the Effective Date; *provided, however*, that the distribution date for Allowed Convenience Claims shall be in the sole determination of the GUC Trustee.
- (c) Distributions to holders of Allowed Class 11 Claims shall be made by the GUC Trustee from the Net Distributable GUC Trust Assets.
- (d) Any creditor in Class 11 may opt out of this class and elect to receive treatment under Class 12. Any creditor wishing to opt out of Class 11 shall do so by giving written notice to the Debtor's counsel on or before the deadline for voting upon the Plan.
- (e) Any creditor in Class 12 may opt out of said class and elect treatment as a Class 11 Creditor if it reduces its claim to the cap on claims in this class.
- (f) Class 11 is impaired.

4.12 **Class 12—Allowed General Unsecured Claims (Excluding Lease Rejection Claims)**

- (a) Class 12 consists of all General Unsecured Claims not expressly classified or dealt with elsewhere in the Plan, including the general unsecured portion of secured or priority Claims except as otherwise provided herein.
- (b) The GUC Trust is initially being funded through Exit Financing on New Capital that has been obtained by the Debtor in the total amount of \$4.48 million and maybe subsequently receive Top Off Funding as more specifically described in Paragraph 4.13 and 10.02.01. Class 12 creditors with Allowed Claims will receive from the GUC Trustee at least one distribution from the Net Distributable GUC Trust Assets. The Plan Proponents estimate that the distribution will be at least twenty-eight percent (28%).
- (d) Holders of Allowed Claim in Class 12 will be receiving distributions *pro-rata* from the Net Distributable GUC Trust Assets along with holders of Allowed Claims in Class 13 and Class 14, if any.

- (c) The GUC Trust is the sole source for *pro rata* distributions to holders of Allowed Class 12 Claims.
- (d) Class 12 is impaired.

4.13 Class 13—Allowed Unsecured Lease Rejection Claims.

- (a) Class 13 consists of the Allowed Lease Rejection Claims of landlords on leases for locations where Debtor has closed a Company Store since January of 2013.
- (b) Creditors in this Class other than Megaplex Four (Store No. 70, Mesquite, Texas) will receive Net Distributable GUC Trust Assets *pro-rata* along with holders of Allowed Class 11, 12 and 14 Claims.
- (c) *Allowed Claims of Leases Rejected After August 1, 2014.* If a lease is rejected by Motion or confirmation of this Plan after August 1, 2014, the allowed Lease Rejection Claim for said lease shall be included in Class 13 and treated with the other claims in this Class. However, Debtor shall be responsible for contributing Top Off Funding to the GUC Trust in the amount of twenty-five percent (25%) of the allowed Lease Rejection Claim (not including the claim of Megaplex Four which is provided for below) for said lease on the later of the Initial Funding of the GUC Trust or within seven (7) days of the date the order allowing the Lease Rejection Claim becomes a Final Order. Any Top Off Funding contributed by the Debtor pursuant to this section shall become part of the corpus of the GUC Trust.
- (c) *Megaplex Four.* Megaplex Four is the landlord with respect to the Mesquite lease, which premises are being leased for the benefit of and being paid by Stateside, LLC, an entity which is an insider of Debtor's controlling shareholder, Creed Ford III. In full and final satisfaction of its Allowed Claim, if any, Megaplex Four shall receive the same percentage of its allowed claim but said amount shall be paid by the Reorganized Debtor from the Reorganized Debtor's assets and not by the GUC Trustee from the GUC Trust Assets.
- (d) Except as set forth herein, the GUC Trust is the sole source for *pro rata* distributions to holders of Allowed Class 13 Claims.
- (e) Class 13 is impaired.

4.14 Class 14—Contingent Claims.

- (a) Class 14 consists of those individuals or entities that have guaranteed an obligation or are jointly and severally liable on any liability with respect to which the Debtor is the primary obligor; *provided, however*, that Class 14 shall not apply to any Released Parties, insiders of the Debtor or the Ford Family.
- (b) No Class 14 creditor will receive a payment under this Plan on account of a contingent liability as defined herein until and unless: (i) demand is made upon said creditor; (ii) the creditor satisfies the obligation in whole or in part; (iii) the creditor files a claim according to the procedures set forth in Paragraph 2.09, *supra.*; and (iv) such Claim becomes an Allowed

Claim.

- (c) A Class 14 Creditor with an Allowed Claim shall begin receiving payments along with the Class 12 and 13 Creditors at the next scheduled Class 12 and 13 distribution. The Class 14 Creditor shall receive that portion of the distributions necessary to bring said creditor *in pari passu* with the creditors receiving Class 12 and 13 distributions, at which time the creditor shall receiving distributions *pro-rata* going forward.
- (d) Class 14 is impaired

This restriction, however, does not apply to salaries for any Equity Interest Holder who may be performing the duties of an employee of the Reorganized Debtor or a contractor of the Reorganized Debtor or a vendor of the Reorganized Debtor, as long as such payments do not exceed market rate for such goods and/or services
- (d) Class 15 is not impaired.

ARTICLE V ASSUMPTION AND REJECTION OF UNEXPIRED LEASES AND EXECUTORY CONTRACTS

5.01 Assumption/Rejection of Executory Contracts and Unexpired Leases. Debtor shall reject all Unexpired Leases of Non-Residential Real Property and Executory Contracts not specifically assumed or rejected on or before the Effective Date pursuant to 11 U.S.C. § 1123(b)(2).

5.01.01 Exhibit E attached to the Disclosure Statement that accompanies this Plan sets out the executory contracts in effect as of the Petition Date which Debtor intends to assume and those in effect as of the Petition Date which it intends to assume but as amended, modified, or redrafted by the parties post-petition.

5.01.02 To the extent an order approving assumption has not been entered or the contracts specifically enumerated herein, Debtor shall be deemed to have rejected any and all other such executory contracts; Lease Rejection Claims shall be subject to Top-Off Funding.

5.02 Reservation of Rights. Pursuant to 11 U.S.C. § 365, Debtor shall have the right to assume or reject on or before the Effective Date any executory contract or unexpired lease of non-residential real property or may change the status of any lease or executory contract listed above (to the extent permitted under the Bankruptcy Code). The Debtor shall provide notice and

an opportunity to object to any counterparty to an unexpired lease or executory contract whose treatment is proposed to be changed not later than ten (10) days prior to the deadline for objecting to and voting on the Plan. Any additional or changed assumptions or rejections shall be noted in the Confirmation Order.

5.03 Disputes as to Executory/Unexpired Status. Notwithstanding Section 5.04, *infra*, of this Plan, if on the Effective Date there is a pending dispute filed with the Bankruptcy Court as to whether a contract is executory or a lease is unexpired, the Debtor's right to assume or reject such contract or lease shall be extended until the date that is twenty-eight (28) days after entry of a Final Order by the Bankruptcy Court determining that the contract is executory or the lease is unexpired. In the event that a contract is not listed as executory in the Disclosure Statement filed in connection herewith, such contract shall be deemed not to be executory unless an objection is filed timely with the Bankruptcy Court.

5.04 Expired Contracts or Leases. Any contract or lease that expired pursuant to its terms prior to the Effective Date and that has not been assumed or rejected by Final Order prior to the Effective Date or herein is hereby specifically rejected.

5.05 Bar Date for Claims Based on Rejection. If the rejection of an executory contract or unexpired lease results in damages to the other party or parties to such contract or lease, a Claim for such damages, if not heretofore evidenced by a filed proof of claim, shall be forever barred and shall not be enforceable unless a proof of claim is filed with the Bankruptcy Court and served upon the Reorganized Debtor and its counsel of record as follows: (a) if the Claim arises from the rejection of an executory contract or unexpired lease by operation of any provision of this Plan, twenty-eight (28) days after the Effective Date; (b) if the Claim arises from the rejection of any executory contract or unexpired lease pursuant to a Final Order of the Bankruptcy Court (other than the Confirmation Order) authorizing rejection of such contract or lease, twenty-eight (28) days after entry of such Final Order; or (c) if the Claim arises from the rejection of an executory contract or unexpired lease that is rejected after withdrawal of the assumption thereof pursuant to Section 5.02 of this Plan, twenty-eight (28) days after service of notice of the assumption withdrawal. The foregoing applies only to Claims arising from the rejection of an executory contract or unexpired lease not rejected prior to the Effective Date; any other Claims held by a party to a rejected contract or lease shall have been evidenced by a proof of claim filed by earlier applicable bar dates or shall be barred and unenforceable.

5.06 Limitation on Claims Based on Rejection. Any Rejection Claim based upon the rejection of an unexpired lease of real property either prior to the Confirmation Date or upon the entry of the Confirmation Order shall be limited in accordance with 11 U.S.C. § 502(b)(6) and state law mitigation requirements. Nothing contained herein shall be deemed an admission by the Debtor that such rejection gives rise to or results in a Claim or shall be deemed a waiver by the Debtor of any objection to such Claim, if asserted.

5.07 Claims Arising from Assumption or Rejection. All Allowed Claims arising from the rejection of an executory contract or unexpired lease shall be treated as Class 11 or 13 Claims pursuant to Sections 4.11 or 4.12 of this Plan unless otherwise ordered by Final Order of the Bankruptcy Court; and all other Allowed Claims relating to an executory contract or unexpired lease shall have such status as they may be entitled to under the Bankruptcy Code as determined by Final Order of the Bankruptcy Court.

5.08 **Cure of Defaults Upon Assumption.** Upon the assumption of any executory contract or unexpired lease pursuant to this Article V, all defaults, including, without limitation, defaults specified in 11 U.S.C. § 365(1) and any defaults specified in 11 U.S.C. § 365(b)(2), shall be deemed cured except as provided herein. Not less than ten (10) days prior to the deadline for objecting to the Plan, the Debtor shall file and serve upon the affected counterparties, a schedule of the amounts that the Debtor believes are necessary to cure any defaults under leases or contracts being assumed under this Plan or pursuant to prior Order of the Court (“Cure Claim Schedule”). Any counterparty may file an objection to the Debtor’s Cure Claim Schedule within twenty-one (21) days after filing and service of the Cure Claim Schedule. In the absence of a timely objection in accordance with the foregoing, the Reorganized Debtor’s obligation to cure or demonstrate the ability to cure shall be deemed satisfied, waived, released and discharged except as provided on the Cure Claim Schedule. If any non-Debtor party to such executory contract or unexpired lease timely serves and files such written objection, the Bankruptcy Court shall, by the issuance of a Final Order, determine the amount actually due and owing in respect of such objection or shall approve the settlement of such objection.

ARTICLE VI
PROVISIONS FOR THE RETENTION, ENFORCEMENT, SETTLEMENT,
OR ADJUSTMENT OF CLAIMS BELONGING TO THE DEBTOR AND THE ESTATE
INCLUDING PREFERENCES AND CONVEYANCES

6.01 **Avoidance Actions.** There are four principal types of actions established by the Bankruptcy Code for the benefit of debtors: actions which could have been asserted by certain creditors or other persons under 11 U.S.C. §544, actions to recover avoidable preferences under 11 U.S.C. § 547, actions to recover fraudulent conveyances under 11 U.S.C. § 548 and actions to recover unauthorized post-petition transfers under 11 U.S.C. § 549. **Debtor reserves its rights to pursue any causes of action currently known or unknown created by the Bankruptcy Code, specifically including claims created by Chapter 5 of the Bankruptcy Code, except as to any such claims released or assigned by the Debtor to the GUC Trust** (which claims may be pursued by the GUC Trust as a representative of the estate under 11 U.S.C. §1123(b)(3)(B)) or otherwise under this Plan.

6.01.01 **Preferences.** Section 547 allows a Debtor-in-Possession to recover "voidable preferences"—*to wit*, payments made within ninety (90) days prior to bankruptcy (or within one (1) year if made to an insider) on an antecedent debt while the Debtor is insolvent which allows a creditor to recover more than it would have if the payment had not been made and the Debtor's assets were liquidated under Chapter 7. Certain payments are protected from recovery as preferences. These include payments made in the ordinary course of business or upon ordinary business terms and payments representing a substantially contemporaneous exchange. Attached to the Disclosure Statement as Exhibit E are a list of payments made by the Debtor to non-insiders within ninety (90) and to insiders within one (1) year of the Petition Date. The right to pursue all other payments listed on this exhibit is hereby preserved and retained for assignment to and enforcement by the GUC Trust for the benefit of General Unsecured Creditors subsequent to the Effective Date with the following exceptions: no preference actions against Released Parties as defined under this Plan or against vendors of the Debtor with whom Debtor has done or is doing business with the Debtor post-petition shall be assigned to or pursued by the

GUC Trust. Any preference claims with regard to parties continuing to do business with the Debtor shall be reserved by the Debtor and may be pursued or released by the Debtor in the exercise of its business judgment. Additionally, no preference claims shall be pursued with regard to lessors whose leases are assumed under 11 U.S.C. §365.

6.01.02 Fraudulent Conveyances and Post-Petition Transfers Made Without Court Approval. Section 548 allows a Debtor-in-Possession to recover certain transfers made within two years of the Petition Date while the Debtor was insolvent which either was made with fraudulent intent or was made without receiving reasonably equivalent value. Section 549 permits the Debtor-in-Possession to avoid a transfer of property that was not authorized under title 11 or the Court.

6.02 Debtor's Other Causes of Action. All Claims of any kind or character whatsoever in favor of the Debtor or the estate against third parties to the extent not specifically compromised and released pursuant to this Plan, specifically including claims under Chapter 5 of the Bankruptcy Code and specifically excluding any claims against the Ford Family, Released Parties and Exculpated Parties defined hereunder, are preserved and retained by the Debtor against third parties, whether or not included by name in the Disclosure Statement, whether currently known or unknown. Only those claims specifically compromised and released pursuant to this Plan or any agreement referred to and incorporated herein are excepted from the foregoing. Notwithstanding the foregoing, nothing in this paragraph is intended to abrogate the assignment of certain causes of action in Paragraph 6.01.01 to the GUC Trust.

ARTICLE VII ACCEPTANCE OR REJECTION OF PLAN; EFFECT OF REJECTION BY ONE OR MORE CLASSES OF CLAIMS OR EQUITY INTERESTS

7.01 Classes Entitled to Vote. Each impaired class of Claims or Equity Interests shall be entitled to vote separately to accept or reject this Plan. Any unimpaired class of Claims shall not be entitled to vote to accept or reject this Plan.

7.02 Class Acceptance Requirement. A class of Claims shall have accepted this Plan if it is accepted by at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims of such class that have timely and properly voted on this Plan.

7.03 One Vote Per Holder. If a holder of a Claim holds more than one Claim in any one class, all Claims of such holder in such class shall be aggregated and deemed to be one Claim for purposes of determining the number of Claims voting on this Plan.

7.04 Cramdown. Notwithstanding the rejection of this Plan by any class of Claims or Equity Interests, the Debtor may request that the Bankruptcy Court confirm this Plan in accordance with 11 U.S.C. § 1129(b).

ARTICLE VIII EFFECT OF CONFIRMATION

8.01 **Discharge.** Pursuant to 11 U.S.C. §§ 524 and 1141(d), Debtor shall be discharged from its debts, obligations and liabilities arising prior to the Effective Date except as provided by this Plan..

8.02 **Status of Property of the Estate After Confirmation.** Confirmation of the Plan shall vest the Property of the Estate in the Reorganized Debtor free and clear of all claims and liens except as expressly provided in the Plan; *provided that* if the Plan is not substantially consummated, the property of the Estate shall revert in the Estate upon conversion to chapter 7 or entry of an order revoking confirmation of the Plan.

8.03 **Binding Nature of Plan.** Pursuant to 11 U.S.C. § 1141, the provisions of the confirmed Plan shall bind the Debtor and its Creditors and the holders of its Equity Interests existing as of the Effective Date, whether or not the Claim or Equity Interest is impaired under the Plan and whether or not such Creditor or Equity Interest Holder has accepted the Plan. The distributions provided for Claimants shall not be subject to any Claim by another creditor or interest holder by reason of any assertion of a contractual right of subordination.

8.04 **Reliances.** Debtor and its respective affiliates, officers, directors, shareholders, members, representatives, attorneys, financial advisor, and agents may rely upon the opinions of counsel, certified public accountants, and other experts or professionals employed by the Debtor.

8.05 **Permanent Injunction.** Confirmation of the Plan shall result in the issuance of a permanent injunction against the commencement or continuation of any judicial, administrative, or other action or proceeding on account of any Claims against the Debtor that arose prior to the Confirmation Date, unless such action is authorized by this Plan or 11 U.S.C. § 1141.

8.06 **Release.** Except for the obligations created under this Plan, all creditors and other parties-in-interest scheduled or otherwise with notice of this case shall be considered upon confirmation to have for themselves and their affiliates unconditionally and irrevocably released, remised, acquitted and forever discharged Debtor and its Affiliates, the Ford Family (as defined herein) and its Affiliates, and FRG Capital, LLC and its Affiliates for all rights, demands, debts, liabilities, controversies, and causes of action of any and every character, whether known or unknown, asserted or unasserted, liquidated or unliquidated, accrued or unaccrued, mature or unmatured, at law or in equity, whether originally possessed or owned or acquired by contractual or legal assignment or subrogation, whether in contract, in tort, or under statute, regulation or other law or legal principle or theory, including without limitation Claims for economic loss, lost profits, loss of capital, emotional distress, mental anguish, personal injuries, injury or damage to tangible or intangible personal property or to real property, and all other claims for actual, consequential, special or punitive damages in the present or in the future, arising at any time from the beginning of time through and including the confirmation date of this Plan; provided, however, that the foregoing release shall only apply with regard to claims relating to the Debtor and provided further that neither the Debtor nor any other entity shall be released from obligations under leases assumed under 11 U.S.C. §365.

8.07 **Exculpation.** No Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from any Claim related to any act or omission derived from, based upon, related to, or arising from the chapter 11 Case, the marketing process, formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan (including any term sheets related thereto), or any contract, instrument, release, or other agreement or document created or entered into in connection with the marketing process, the Disclosure Statement, the Plan, the filing of the Chapter 11 Cases, the pursuit of Consummation, and the administration and implementation of the Chapter 11 Cases and the Plan; provided, however, the foregoing shall not be deemed to release, affect, or limit any of the rights and obligations of the Exculpated Parties from, or exculpate the Exculpated Parties with respect to, any of the Exculpated Parties' obligations or covenants arising under the Confirmation Order, the Plan, the Plan Supplement, and any contracts, instruments, releases, and other agreements or documents delivered in connection with, or contemplated by, the foregoing; provided, however, that the foregoing shall not release or exculpate any of the Exculpated Parties for acts of gross negligence or willful misconduct as determined by final order, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the Securities pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

ARTICLE IX POST CONFIRMATION OWNERSHIP AND MANAGEMENT

9.01 **Ownership.** The Ford Family currently holds or controls 77% of existing equity interests. While Lynn and Creed Ford are providing New Value to the Debtor through their guarantee of Debtor's Exit Financing (*see* Paragraph 10.02.02 below), they will retain the same equity interests in the Reorganized Debtor as they currently hold in the Debtor, as will all other current equity interests.

9.02 **Directors.** It is anticipated at this time that the Debtor's current Board of Directors shall act as the Board for the Reorganized Debtor, at least for the first twelve (12) months after the Effective Date. The Directors currently serving are: Creed L. Ford III, and Lynn Ford. Creed Ford is and will continue as the Chairman of the Board as well as the President and chief Executive Officer of the Reorganized Debtor; his qualifications are be found in Paragraph 9.03. Lynn Ford is the President of Rudy's Texas Bar-B-Q, LLC, the owner and franchisor of multiple barbecue restaurants as well as President of Ford Restaurant Group, a management company providing accounting, payroll, human resources and other management functions for the Rudy's Bar-B-Q's and other restaurants.

9.03 **Management.** Debtor's current core management team has breadth and depth in the restaurant industry found in few other hospitality ventures. It is anticipated that this team will continue as the core management team of the Reorganized Debtor. Its members are:

9.03.01 *Creed L. Ford III.* Mr. Ford has over thirty-nine years in managing restaurants and restaurant chains. He spent twenty (20) years with Brinker International³ and, during that time, held the positions of manager, supervisor, Director of Operations and Chief Operating Officer. After Brinker went public in 1984, he also served a member of the corporation's Board of Directors. In 1997, Mr. Ford left Brinker to develop his own restaurant company and became a franchisee of Chili's in small Texas markets; he also co-founded the Debtor and acquired six (6) Johnny Carino's Restaurants from Brinker. Under his watch, Fired Up grew Carino's to 180 restaurants and owned and operated Gumbo's Louisiana Café, The Brown Bar and Kona Ranch Steak House as well. Since 2006, he has focused all his attention on growing and, more recently, nursing Carino's back to health from the beatings it took from the trends in the restaurant industry and the economy beginning in 2008.

9.03.02 *Margaret Smith, CPA, Director of Finance.* Margaret oversees key financial funds of the Debtor—including finance and accounting, treasury and planning and information technology. She brings to this job almost thirty (30) years of broad financial and business experience within the hospitality industry—including financial audits of restaurants for Deloitte & Touche, financial analysis for the Walt Disney Company's theme parks and resorts, Director of Finance for Hard Rock Café International, and Vice-President of Finance for a start-up restaurant group, and fifteen (15) years with Rudy's Bar BQ.

9.03.03 *Matt West, Director of Restaurant Operations.* Matt West has over twenty (20) years in the restaurant industry and has been with the Debtor for over fifteen (15) years. Prior to joining the Debtor, he worked for Chili's Bar & Grill in all positions of the restaurant. Since joining Debtor, he has held multiple positions including Manager, General Manager, Managing Partner, Area Director and has spent over four (4) years supporting Debtor's Franchise Partners. Mr. West has been recognized for outstanding performance at all levels. Throughout his career, he has shown consistent results in financials, guest services, kitchen operations, facilities, and managing those around him to achieve a common goal.

9.03.04 *Chris Peitersen, CRC, Director of Culinary Development, Franchise Support and Purchasing.* Chef Peitersen oversees menu research, development, testing and implementation of all food and beverage items for Carino's. In addition to his culinary responsibilities, he also manages all the purchasing functions, contracting activities and franchisee support functions among the Debtor's fifty-eight (58) franchises and forty-five (45) Company Stores. Chef Peitersen was instrumental in developing and sourcing a menu for Carino's restaurants in Egypt, Kuwait, Bahrain and the United Arab Emirates. In his two decades in the restaurant industry, he has worked for such concepts as Palomino Mediterranean Bistro, Olive Garden, Tony Roman's and Grisanti's Italian Kitchen. He is a Certified Research Chef through the Research Chefs Association and was one of the youngest chefs ever to attain this certification level.

ARTICLE X MEANS FOR IMPLEMENTATION OF PLAN

³ Brinker International's restaurant concepts include: Chili's, Macaroni Grill, On the Border, Maggiano's, Eatzi's, Spageddie's Italian Kitchen, Corner Baker, Flyer's Burgers, Taco Cabana and Grady's American Grill.

10.01 Implementation of the Plan. The Plan will be implemented pursuant to 11 U.S.C. § 1123(a) with ownership and management as set forth above. Debtor will continue to operate as a debtor-in-possession and discharge its duties under chapter 11 until the Effective Date of the Plan. Debtor during this period will also take all actions necessary to effectuate the organizational and ownership changes discussed in Articles IX. On and after the Effective Date of the Plan and the organizational changes contemplated by the Plan have been made, the Reorganized Debtor will be operated for the benefit of Debtor's Creditors in compliance with the terms of Debtor's chapter 11 Plan and then for the benefit of its shareholders. When all payments to creditors due under the Plan are completed, the Reorganized Debtor's obligations to these pre-petition creditors will be deemed to have been satisfied in full.

10.02 Sources of Funds for Implementation of the Plan.

10.02.01 In General. If the compromise and settlement discussed in Paragraph 4.09 as well as this Plan are approved by the Court, the GUC Trust will receive on or before the Effective Date its initial funding the sum of \$4.48 million for the benefit, and to satisfy the claims, of all Allowed General Unsecured Claims except those specifically excluded herein. If additional lease locations are rejected after August 1, 2014, then an additional sum equal to twenty-five percent (25%) of the Allowed Lease Rejection Claim for each additional rejected location (other than Megaplex Four which will be paid directly by the Debtor) will also be contributed to the GUC Trust ("Top-Up Funding") upon the later of the Effective Date or within seven (7) days of the Order Allowing the Lease Rejection Claim becomes final and non-appealable. At this time, it is projected that all payments to all Creditors due under this Plan other than those being paid from the GUC Trust will be derived from income generated by the Debtor's business operations.

10.02.02 Exit Financing/Capital Infusion ("New Capital" or "New Value") (collectively "Exit Financing Notes"). Debtor has negotiated a term loan and revolving line of credit with Prosperity Bank collectively sufficient to fund the Initial Funding of the GUC Trust and repay GE Capital pursuant to its settlements with these parties. These notes will, *inter alia*, be guaranteed by Creed Ford III and Lynn S. Ford and/or collateralized by the assets of the Debtor. These new guarantees of new notes constitute New Value to the Debtor.

10.02.03 Income from Business Operations. Debtor intends to make all payments due under the Plan other than those being made to the GUC Trust and GE Capital from income generated by its business operations and the sale of certain assets it is no longer using (*see* Article IIE of the Disclosure Statement accompanying this Plan). Debtor's *pro formas* for the next five (5) years are attached as Exhibit B to Debtor's Disclosure Statement. They were prepared by the Debtor's management and financial team in conjunction with the Debtor's financial advisor. Even with the very conservative assumptions applied in putting these projections together, they indicate that the Debtor will generate sufficient income to make the payments proposed under this Plan.

10.02.04 Working Capital Loan. While Debtor's projections reflect its ability to make the payments proposed under this Plan, Debtor also recognizes that its business is seasonal in nature and, while expenses are relatively steady throughout the year, income is not. In order to make cash management easier and stabilize cash flow and cover any additional shortfalls in payments under the Plan, Debtor may also obtain a working capital loan from Prosperity Bank or

use sums that become available on the revolving line of credit described in paragraph 10.02.05 that loan is paid down for working capital.

10.02.05 **Other Potential Revenue Sources.**

10.02.05.01 As discussed in Article VI, *supra*, and the Disclosure Statement, Debtor may have potential causes of action under chapter 5 of the Bankruptcy Code as well as a cause of action for violation of the automatic stay against Wells Fargo. As also discussed in Paragraph VI, all preference actions arising under 11 U.S.C. § 547 except as to those vendors with whom Debtor is doing business as of the Effective Date will be assigned to the GUC Trust, which will decide which to prosecute, and any recoveries on said actions will be added to the corpus of the GUC Trust for the benefit of the general unsecured creditors which are the beneficiaries of said trust. All other causes of action will be reevaluated on a case-by-case basis with Debtor's attorneys. Based on the conclusions reached with respect to the probability of success and collectability if a judgment is obtained, these causes of action may be pursued and the sums collected, net of costs and attorney's fees and a reserve for any tax obligations that might arise therefrom, will added to the other funds used to pay creditors as set forth above.

10.02.05.02 Debtor was required to file suit against Wells Fargo Bank shortly after the Petition Date as Wells Fargo froze Debtor's pre-petition accounts so that Debtor was unable to close these accounts and transfer the funds to its debtor-in-possession accounts at Prosperity Bank. In August and September, Wells Fargo debited Debtor's accounts without Court permission in the amount of approximately \$22,000 for its post-petition legal fees; Debtor has sought to amend its suit to recover these funds and attendant damages. Debtor at this time intends to continue with this suit.

10.03 **Authorization.** Debtor shall be responsible for complying with the terms and provisions of the Plan as it may be modified as allowed by the Bankruptcy Code. To this end, the Debtor is authorized, *inter alia*, to execute all documents necessary to effectuate the terms of the Plan.

10.04 **Methodology for Collection and Disbursement under the Plan.**

10.04.01 **Reorganized Debtor.** The Reorganized Debtor shall be responsible for marshaling funds and making the payments due from it to designated creditors subject to the provisions of this Plan in a timely matter.

10.04.02 **GUC Trust.** The GUC Trust, as more specifically set forth below, shall be responsible for administering and distributing the assets which are to fund it and making the payments due from it to all general unsecured creditors, except those specifically excluded herein, in a timely manner subject to the provisions of this Plan.

10.04.02.01 *Establishment and Administration of the GUC Trust.* On the Effective Date, the GUC Trust shall be established pursuant to the GUC Trust Agreement for the purpose of, among other things, (i) administering the distribution of the GUC Trust Assets for the benefit of Allowed Claims in Class 11, 12, 13 and 14 (and any other unsecured claims designated as being paid along with such claims); and (ii) making Distributions from the GUC Trust to Holders of Allowed Claims as provided for in the Plan and/or the GUC Trust Agreement to

holders of Allowed Claims in Classes 11, 12, 13 and 14 and any other unsecured claims designated as being paid along with such claims. Upon the Effective Date the GUC Trust Agreement will be deemed approved and the GUC Trustee shall be authorized to take all steps necessary to complete the formation of the GUC Trust.

10.04.02.02. *Assets of the GUC Trust.* On or before the Effective Date, or upon a later date if agreed upon by the Committee, the GUC Trustee and the Debtor, the Debtor shall transfer and assign to the GUC Trust all of its right, title and interest in and to the GUC Trust Assets and in accordance with 11 U.S.C. § 1141, all such assets shall automatically vest in the GUC Trust free and clear of all Claims and liens, subject only to the Allowed Claims of the Holders of GUC Trust Interests as set forth in the Plan and the expenses of the GUC Trust as set forth herein and in the GUC Trust Agreement. Thereupon, neither the Debtor nor any other creditor (except the holders of GUC Trust Interests) shall have any interest in or with respect to the GUC Trust Assets.

10.04.02.03 *Appointment of a GUC Trustee/ Oversight Committee*

10.04.02.03.01 The GUC Trustee shall be selected by the Committee. The Committee shall file a notice (“GUC Trustee Notice”) designating the Person who it has selected as GUC Trustee on a date that is not less than ten (10) days prior to the deadline for filing ballots and objections to confirmation of the Plan. The appointment of the GUC Trustee shall be approved in the Confirmation Order, and such appointment shall be as of the Effective Date. The GUC Trustee shall have and perform all of the duties, responsibilities, rights and obligations set forth in the Plan and GUC Trust Agreement.

10.04.02.03.02 The GUC Trust shall be governed by an Oversight Committee, which shall consist of three members selected by the Committee..

10.04.02.04 *Compensation.* The GUC Trustee shall be compensated solely from the GUC Trust Assets. The terms of the GUC Trustee’s compensation shall be put on file by the Committee upon the filing of the GUC Trustee Notice. The Committee agrees that the Allowed Fee Claims and costs incurred by its professionals shall be payable in their entirety from the GUC Trust Assets, subject to approval for those approved up to and including confirmation, by the Bankruptcy Court

10.04.02.05 *Rights and Powers of the GUC Trust and the GUC Trustee*

10.04.02.05.01 The GUC Trustee shall be deemed the Estate’s representative in accordance with section 1123 of the Bankruptcy Code and shall have all the rights and powers set forth in the GUC Trust Agreement, including, without limitation, the powers of a trustee under sections 704 and 1106 of the Bankruptcy Code and Rule 2004 of the Bankruptcy Rules, including without limitation, the right to (i) effect all actions and execute all agreements, instruments and other documents necessary to implement the provisions of the Plan and the GUC Trust Agreement; (ii) prosecute, settle, abandon or compromise any General Unsecured Claims in Classes 10 and 11, Voidable Transfers or causes of action not released under the Plan; (iii) make Distributions contemplated by the Plan and the GUC Trust Agreement; (iv) establish and administer any necessary reserves that may be required; (v) object to Disputed Claims in Classes 11, 12, 13 and 14 and prosecute, settle, compromise, withdraw or resolve in any manner

approved by the Court such objections; (vi) employ and compensate professionals (including professionals previously retained by the Debtor and/or the Committee); and (vii) file all federal, state and local tax returns if necessary.

10.04.02.05.02 The GUC Trustee shall be solely responsible for reconciling, resolving, Allowing, and contesting all General Unsecured Claims in Classes 11, 12, 13 and 14. The Reorganized Debtor shall provide all reasonably requested information and cooperation requested by the GUC Trustee in aid of his duties under the Plan and the GUC Trust Agreement.

10.04.02.05.03 The GUC Trustee shall not be obligated to obtain a bond but may do so, in his, her or its sole discretion, in which case the expense incurred by such bonding shall be paid by the GUC Trust.

10.04.02.05.04 The GUC Trustee, the members of the Oversight Committee and their professionals shall be exculpated and indemnified pursuant to and in accordance with the terms of the Plan and GUC Trust Agreement.

10.04.02.06 *GUC Trust Interests*

10.04.02.06.01 On the Effective Date, each Holder of an Allowed General Unsecured Claim in Classes 11, 12, 13 and 14 shall, by operation of the Plan, receive its Pro Rata share of the GUC Trust Interests. GUC Trust Interests shall be reserved for Holders of Disputed General Unsecured Claims and issued by the GUC Trust to, and held by the GUC Trustee in, a disputed claims reserve pending allowance or disallowance of such Claims. No other entity shall have any interest, legal, beneficial or otherwise, in the GUC Trust Assets upon the assignment and transfer of such assets to the GUC Trust. Distributions from the GUC Trust on account of GUC Trust Interests shall be made from the GUC Trust Assets after paying, reserving against or satisfying, among other things, the operating and administrative expenses of the GUC Trust to the extent necessary, including but not limited to all costs, expenses and obligations incurred by the GUC Trustee (or professionals who may be employed by the GUC Trustee in administering the GUC Trust) in carrying out their responsibilities under the GUC Trust Agreement, or in any manner connected, incidental or related thereto.

10.04.02.06.02 The GUC Trust Interests shall be uncertificated and shall be nontransferable except upon death of the Holder or by operation of law. Holders of GUC Trust Interests, in such capacity, shall have no voting rights with respect to such interests. The GUC Trust shall have a term of five (5) years from the Effective Date, without prejudice to the rights of the GUC Trust Committee to extend such term conditioned upon the GUC Trust not becoming subject to the Securities Exchange Act of 1934 (as now in effect or hereafter amended).

10.04.02.06.03 It is intended that the GUC Trust be classified for federal income tax purposes as a "Liquidating Trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and as a "grantor trust" within the meaning of Sections 671 through 679 of the Internal Revenue Code. In furtherance of this objective, the GUC Trustee shall, in its business judgment, make continuing best efforts not to unduly prolong the duration of the GUC Trust. All GUC Trust Assets held by the GUC Trust on the Effective Date shall be deemed for federal income tax purposes to have been distributed by the Debtor on a Pro Rata basis to Holders of Allowed General Unsecured Claims and then contributed by such Holders to the GUC Trust in

exchange for the GUC Trust Interests. All Holders of General Unsecured Claims have agreed to use the valuation of the GUC Trust Assets transferred to the GUC Trust as established by the GUC Trustee for all federal income tax purposes. The beneficiaries under the GUC Trust shall be treated as the deemed owners of the GUC Trust. The GUC Trust shall be responsible for filing information on behalf of the GUC Trust as grantor trust pursuant to Treasury Regulation Section 1.671-4(a).

10.04.02.07. *Distributions to Holders of General Unsecured Claims*

10.04.02.07.01 Initial Distributions. The GUC Trustee shall make, or shall make adequate reserves for, the distributions required to be made under the Plan to Holders of Allowed General Unsecured Claims in classes 11, 12, 13 and 14.

10.04.02.07.02 Interim Distributions. The GUC Trustee shall make interim distributions of Cash in accordance with this Plan and the GUC Trust Agreement in its sole discretion.

10.04.02.07.03 Final Distributions. Except as provided herein, the GUC Trust shall be dissolved and its affairs wound up and the GUC Trustee shall make the final Distributions, upon the earlier of (i) the date which is five (5) years after the Effective Date, and (ii) that date when, (A) in the reasonable judgment of the GUC Trustee, substantially all of the assets of the GUC Trust have been liquidated and there are no substantial potential sources of additional Cash for Distribution; and (B) there remain no substantial Disputed Claims in Classes 11, 12, and 13. Notwithstanding the foregoing, on or prior to a date not less than six (6) months prior to such termination, the Court, upon motion by a party in interest, may extend the term of the GUC Trust for one or more finite terms based upon the particular facts and circumstances present at that time, if an extension is necessary to the liquidating purpose of the GUC Trust. The date on which the GUC Trustee determines that all obligations under the Plan and GUC Trust Agreement have been satisfied is referred to as the "GUC Trust Termination Date." On the GUC Trust Termination Date, the GUC Trustee shall, to the extent not already done, request that the Court enter an order closing the Bankruptcy Cases.

Upon dissolution of the GUC Trust, if the GUC Trustee reasonably determines that any remaining GUC Trust Assets are insufficient to render a further distribution practicable, or exceed the amounts required to be paid under the Plan, the GUC Trustee shall transfer such remaining funds to a charitable institution selected by the GUC Trustee, which charitable institution shall be qualified as a not-for-profit corporation under applicable federal and state laws.

10.04.03 Upon the Effective Date of the Plan, the Reorganized Debtor will commence operations. Any filings with government entities to reflect the change of control of the Debtor shall be timely made.

ARTICLE XI PROVISIONS GOVERNING DISTRIBUTIONS

11.01 Distribution Responsibility. Subject to the specific treatment provisions of this Article, the Debtor and the GUC Trust shall be responsible for and shall be obligated to make, or administer where appropriate, all distributions required under this Plan.

11.02 Payment/Delivery Agents. The Debtor and the GUC Trust, or such payment/delivery agent or agents as it may, in its sole discretion, employ, shall make all distributions and deliveries required to be made by it under this Plan. Debtor anticipates, at this time, that the Reorganized Debtor or the GUC Trust, whichever is applicable under this Plan, shall be the Payment Delivery Agent.

11.03 Date of Distributions. Distributions by the Debtor shall be made on the Effective Date, or any other payment or delivery date established herein. Distributions to be made by the Debtor on a specified date shall be deemed made on that date if made no later than seven (7) Business Days after such date.

11.04 Cash Payment. Cash payments made pursuant to this Plan shall be in U.S. funds, by check drawn on a domestic bank, or by wire transfer from a domestic bank.

11.05 One Distribution Per Holder. If the holder of a Claim holds more than one Claim in any one class, all Claims of such holder in such class may be aggregated and deemed to be one Claim for distribution purposes, and **only** one distribution or delivery of stock may be made with respect to the single, aggregated Claim.

11.06 Delivery of Distributions. Distributions to holders of Allowed Claims shall be made at the addresses set forth on the proofs of claim or proofs of interest filed by such holders (or at the last known addresses of such holders if no proof of claim is filed or if the Debtor or the Reorganized Debtor, as applicable, have been notified of a change of address). If any holder's distribution is returned as undeliverable, or is not sent because no address is available, no further distributions to such holder shall be made unless and until the Debtor (or a payment agent, if applicable) is notified of such holder's then current address on or within 90 days from the date such distribution is made, at which time all missed distributions shall be made to such holder. Amounts in respect of undeliverable distributions made through a payment agent shall be returned to the Debtor, and remain with it until such distributions are claimed. All claims for undeliverable distributions must be made on or before 180 days from the Effective Date (the "Distribution Bar Date"). After such Distribution Bar Date, all unclaimed property shall be distributed pro-rata among holders of Allowed General Unsecured Claims who have received and accepted prior distributions. The claim of any holder with respect to such property, or the claims of any state under its unclaimed property laws with respect to such property (which state shall not be deemed a holder of a Claim under such laws for purposes of this Plan), shall be discharged and forever barred.

11.07 Time Bar to Cash Payments. Checks issued by the Reorganized Debtor, or by a payment agent in respect of Allowed Claims shall be null and void if not cashed within ninety

(90) days of the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Reorganized Debtor by the holder of the Allowed Claim with respect to which such check was originally issued. Any claim in respect of such avoided check shall be made on or before the Distribution Bar Date. After the Distribution Bar Date, all unclaimed property shall be distributed to holders of Allowed General Unsecured Claims who have accepted prior distribution.

11.08 Effect of Pre-Confirmation Distributions. Nothing in this Plan shall be deemed to entitle the holder of a Claim that received, prior to the Effective Date, full or partial payment of such holder's Claim, by way of settlement or otherwise, pursuant to an order of the Bankruptcy Court, provision of the Bankruptcy Code, or other means, to receive a duplicate payment in full or in part pursuant to this Plan; and all such full or partial payments shall be deemed to be payments made under this Plan for purposes of satisfying the obligations of the Reorganized Debtor hereunder.

11.09 Prepayment. Unless this Plan otherwise provides, the Reorganized Debtor shall have the right to prepay, without penalty, all or any portion of an Allowed Claim at any time.

ARTICLE XII POST-CONFIRMATION PROCEDURE

12.01 Conditions Precedent to Effectiveness. The Plan shall not be deemed effective until and unless: (i) the GUC Trust receives its Initial Funding; and (ii) a Confirmation Order satisfactory to the both the Debtor and the Committee in form and substance has been entered and become final and non-appealable.

12.02 Dissolution of Committee. The Committee shall be dissolved automatically on the Effective Date and all members thereof shall be released and discharged from all rights, duties and responsibilities arising from or related to the Case.

12.03 Compliance with All Applicable Laws. Except as otherwise provided in this Plan, the Debtor shall comply with any applicable law, rule, regulation, or order of a governmental authority relating to their businesses; provided that nothing contained herein shall require such compliance by the Debtor if any such law, rule, regulation, or order is preempted by the Bankruptcy Code or if the legality or applicability of any such law, rule, regulation, or order is being contested in good faith in appropriate proceedings by the Debtor, and, where appropriate, for which an adequate reserve has been set aside on the books of the Debtor.

12.04 U.S. Trustees Matters.

12.04.01 Fees. The Debtor shall continue to pay U.S. Trustee fees until the case is closed, converted or dismissed.

12.04.02 Reports. The Debtor shall file post-confirmation reports in the form prescribed by the United States Trustee until the case is closed, converted or dismissed.

12.05 Compliance with Tax Requirements. In connection with this Plan, the Debtor shall comply with all withholding and reporting requirements imposed by federal, state, local and foreign taxing authorities, and all distributions hereunder shall be subject to such withholding and reporting requirements.

12.06 Application for Final Decree. The Debtor shall file an application for final decree as soon as is practicable but not later than six (6) months after the Effective Date. If the Plan cannot be substantially consummated as that term is defined in 11 U.S.C. § 1101(2) during this time period or if there are still pending matters to be ruled upon by the Court, the Debtor shall seek an extension of such deadline from the Court. If the Debtor fails to file an Application for Final Decree prior to such deadline or fails to timely request an extension of the same, then the Court, on its own motion or at the request of any party in interest, including the United States Trustee, may enter an order closing the Debtor's case.

ARTICLE XIII MODIFICATION OF PLAN

13.01 In accordance with 11 U.S.C. § 1127 and Fed R. Bankr. P. 3019, to the extent applicable, Debtor and the Committee may agree to modify or amend the Plan prior to the Confirmation Date, provided that notice and an opportunity for hearing are given to any affected party and the Court finds that the proposed modification or correction does not adversely change the treatment of the claim of any creditor or the interest of any equity security holder who has not accepted the modification in writing.

13.02 If the Court shall find that any severable portion of this Plan shall cause the Plan to be unconfirmable, the Debtor and the Committee reserve the right to modify the Plan to delete such provision.

13.03 Pursuant to 11 U.S.C. § 1127 (b), the Debtor and the Committee may agree to modify the Plan any time after confirmation and before substantial consummation as long as the modification complies with the requirements of 11 U.S.C. §§ 1122 and 1123. The Plan as modified will become the Plan if, after notice and hearing, the Court finds that circumstances warrant such modification and confirms the Plan as modified.

ARTICLE XIV RETENTION OF JURISDICTION

Notwithstanding confirmation of the Plan or the Effective Date having occurred, the Court will retain jurisdiction for the following purposes:

16.02 **Revocation.** The Debtor with the consent of the Committee reserves the right to revoke and withdraw this Plan at any time prior to the Confirmation Date.

16.03 **Effect of Withdrawal or Revocation.** If the Debtor with the consent of the Committee revokes or withdraws this Plan prior to the Confirmation Date or the Effective Date does not occur, then this Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any claims by or against the Debtor or any other person or to prejudice in any manner the rights of the Debtor, the Committee or any person in any further proceedings involving the Debtor.

16.04 **Due Authorization by Creditors.** Each and every Claimant who elects to participate in the distributions provided herein warrants that it is authorized to accept in consideration of its Claim commitments, agreements or understandings express or implied, that may defeat or modify the rights conveyed or obligations undertaken by it under this Plan.

Exhibit B
MODIFICATIONS TO TO AMENDED PLAN AS FILED
INCORPORATED INTO PLAN BY CONFIRMATION ORDER

1. Paragraph 1.01.06 of the Amended Joint Plan shall be DELETED and REPLACED with the following:

Affiliate” shall have the same meaning as set forth in 11 U.S.C. § 101(2)—*to wit*:

(A) entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities—

(i) in a fiduciary or agency capacity without sole discretionary power to vote such securities; or

(ii) solely to secure a debt, if such entity has not in fact exercised such power to vote;

(B) corporation 20 percent or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by the debtor, or by an entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities—

(i) in a fiduciary or agency capacity without sole discretionary power to vote such securities; or

(ii) solely to secure a debt, if such entity has not in fact exercised such power to vote;

(C) person whose business is operated under a lease or operating agreement by a debtor, or person substantially all of whose property is operated under an operating agreement with the debtor; or

(D) entity that operates the business or substantially all of the property of the debtor under a lease or operating agreement.

2. **Exculpated Parties** in Paragraph 1.01.41 of the Amended Joint Plan shall NOT include the Debtor, the GUC Trustee and or the Oversight Committee (the latter two being defined in other sections of the Amended Joint Plan).

3. Paragraph 1.03 of the Amended Joint Plan shall be DELETED and REPLACED with the following:

1.03 Capitalized Terms Not Specifically Defined in Paragraph 1.01

Capitalized terms not defined in Section 1.01 of the Plan shall have the definitions given those terms, if applicable, in the Bankruptcy Code. To the extent capitalized terms are not defined in Section 1.01 or the Bankruptcy Code, they shall have the meaning ascribed

to them in the Debtor and the Unsecured Creditors Committee's Amended Joint Plan of Reorganization Dated October 29, 2014.

4. Notwithstanding the payments terms for this class of creditors set forth in Paragraph 4.04(d), *supra*, the Texas Comptroller of Public Accounts ("Comptroller") shall be paid as under the following terms and conditions:

- (i) the refund of State and Local Sales and Use Taxes for overpayments between January 1, 2010 and December 31, 2012, being issued to Debtor shall be applied first to any Allowed Administrative Expense Claim for post-petition sales and use taxes owed by the Debtor and then to the Allowed Priority Claim of the Comptroller for unpaid pre-petition taxes without the need for any further order of this Court;
- (ii) the remainder after the set-off permitted in section 4.04(g)(i), *supra*, owed on the Comptroller's pre-petition priority tax claim plus interest from the petition date accruing at 4.25% shall be paid in twelve monthly payments, commencing on the 16th day of the second full month after the Effective Date and continuing with an equal payment on the 16th day of the next ten (10) months and a final payment of the remainder due on the 16th day of the twelfth month;
- (iii) as long as the Debtor is performing under the terms of this Paragraph 4.04(g), the Comptroller will not take any action to assess or collect on any third party liability for the taxes covered by the Comptroller's claims in the instant case. To the extent this section of Paragraph 4.04(g) conflicts with Paragraph 2.16 of the Amended Joint Plan, this section shall control.
- (iv) A default in payment to the Comptroller shall occur if a monthly installment due to the Comptroller under this paragraph is not paid by the Debtor. The Comptroller shall send written notice of the default and the Debtor shall have twenty-eight (28) days to cure same as provided in Paragraph 15.01. Debtor shall have the opportunity to cure a default to the Comptroller no more than two (2) times. In addition to the provisions of Paragraph 15.01, the Comptroller may proceed under non-bankruptcy law.

5 DELETE Paragraph 4.05(b) of the Amended Joint Plan and REPLACE with the following:

(b) *Pre-Petition Ad Valorem Tax Claims on Business Personal Property.* Debtor is responsible for the *Ad Valorem* Tax Claims on business personal property ("BPP Taxes"), which Debtor estimates is approximately \$250,750.00 through 2014. This subclass of taxes will be paid along with interest from the Petition Date¹ until the taxes are paid in full at the statutory rate for each particular taxing jurisdiction, which for all jurisdictions in Texas shall be 12 percent per annum, beginning on April 16, 2015 and

¹ Paragraph 2.13 of the Plan shall not apply to this Class to the extent it conflicts with the payment terms set out herein.

continuing on the 16th day of the following forty-six (46) months in a like amount with the remainder owed on the 16th day of May, 2019. Creditors in this class will be paid *pro rata* based on the amount of each of their claims compared to the total amount of allowed claims in the Class. These taxes will be paid only up to the value of the estate interest in the personal property located in the taxing jurisdiction pursuant to 11 U.S.C. 502(b)(3), provided however that the tax claim shall not be reduced under Section 502 (b) (3) absent a subsequent court order or agreement of the parties.

6 DELETE Paragraph 4.05(d) of the Amended Joint Plan and REPLACE with the following:

(d) Payments shall begin on April 16, 2015 to all taxing authorities in this class. In the event the Debtor disputes the claim of any taxing authority and files an objection pursuant to Paragraph 2.10 and it is determined either by Court Order or the agreement of the Parties that the allowed claim(s) is to be in an amount less than the amount of the filed claims, the payment to that particular taxing authority shall be adjusted to provide for the payment of only the Allowed Amount or, if no adjustment is made, any overpayment shall be applied to the 2015 taxes owed by the Debtor to such taxing entity.”

7 Paragraph 4.05(f) of the Amended Joint Plan shall become Paragraph 4.05(h) and the following shall REPLACE the current Paragraph 4.05(f):

(f) A default in payment to an *ad valorem* taxing authority shall occur if one monthly installment due to that authority under this Plan is not paid by the Debtor. The affected taxing entity shall send written notice of the default as Debtor shall have twenty-eight (28) days to cure same as provided in Paragraph 15.01. In addition to the provisions of Paragraph 15.01, however, the taxing authority may proceed under state law pursuant to the state’s particular property tax laws and the Debtor shall have the opportunity to cure a default to a particular taxing authority no more than two (2) times per year during the payout of that taxing entity’s claims.

8. A new Paragraph 4.05(g) shall be ADDED after the new Paragraph 4.05(f) to the Amended Joint Plan as follows:

(g) Notwithstanding any injunctions in the Plan to the contrary, the Reorganized Debtor shall timely pay all post-petition taxes, beginning with those due for 2015, on all property titled to the Debtor and a taxing authority may pursue any and all collection remedies as allowed by law with respect to said post-petition taxes. A taxing authority shall not be required to seek any relief from the Bankruptcy Court in the event Debtor or the Reorganized Debtor shall fail to timely paid said taxes.

9 DELETE Paragraph 4.07(c) of the Amended Joint Plan and REPLACE with the following:

(c) Prosperity Bank's Claim is fully secured by the Abilene Property. Debtor agrees with Prosperity that the principal balance of the claim as of the Petition Date was \$1,186,323.38, together with accrued interest of \$4,275.37 and interest has been accruing on same at the rate of 4.99% per annum. Debtor also agrees that its loan requires and the Bankruptcy Code allows the payment of Prosperity's reasonable attorneys' fees and Debtor agrees that fees not to exceed \$17,000.00 shall be deemed to be reasonable. Debtor has paid \$10,123.80 per month in adequate protection payments since the Petition Date. Prosperity's Allowed Secured Claim shall be defined as the balance due on the Abilene Property Note as of the Petition Date along with accrued interest and reasonable attorneys' fees less the adequate protection payments made through the closing on the Abilene Property. This Allowed Secured Claim shall be paid in full out of the proceeds of the sale of the Abilene Property as part of the closing. All of Prosperity's reasonable attorneys' fees incurred in connection with the loan secured by the Abilene Property and not paid at closing will be reimbursed by the Debtor within thirty (30) days of request by Prosperity. To the extent Debtor and Prosperity Bank may not be able to reach an agreement on the amount of the pay-off: (i) the Abilene Property shall be sold free and clear of liens and other encumbrances; (ii) Debtor shall pay to Prosperity the amount of Prosperity Bank's Allowed Secured Claim which it does not dispute; and (iii) the difference between what is paid and the amount Prosperity Bank alleges to be owed will be escrowed until an Order determining the amount of the Allowed Secured Claim becomes final and non-appealable, at which time Prosperity Bank will be paid the additional sums allowed by the Court out of the escrow. If there is a dispute as to the pay-off at closing and Debtor does not prevail, Prosperity Bank shall have the right to request and collect the additional interest accrued and attorneys' fees incurred to resolve the dispute.

10 Paragraph 4.07(d) of the Amended Joint Plan shall be DELETED and REPLACED with the following:

Should the pending sale of the Abilene Property not have closed on or before the Effective Date, Debtor will bring its payments under the Prosperity Real Estate Lien Note current, to the extent they are not, on or before fifteen (15) days after the Effective Date and begin making the monthly payments due under said Note on the 16th day of the following month. If the sale of the Abilene Property has not taken place by the time that a payment change would otherwise occur under the terms of the loan documents, the payments shall change accordingly, and in the event of a default or the maturity of the loan, Prosperity may exercise its rights under the loan documents and applicable state law. Notwithstanding any provision in Sections 2.16, 8.06 and 15.01 of the Plan to the contrary, the existing loan documents, including all guaranties, shall remain in full force and effect, but as long as the Debtor is performing under the terms of the loan documents as modified by the Plan, Prosperity shall not exercise its rights under the guaranties. The Debtor and all guarantors shall execute such new or additional loan documents as may be reasonably requested by Prosperity Bank.

11. The following phrase shall be INSERTED after the phrase "Class 8 Allowed Claim" in Paragraph 4.08(b) of the Amended Joint Plan:

“including reasonable attorneys fees”

12. Paragraph 4.08d) of the Amended Joint Plan shall be DELETED and REPLACED with the following:

Independent Bank agrees to look to its collateral and the proceeds thereof, the Reorganized Debtor and any guarantors for the satisfaction of its Class 8 Claims. Notwithstanding the foregoing, Independent Bank does not waive its right to receive distributions from the GUC Trust for any undersecured or unsecured claims that constitute general unsecured claims to be treated under Classes 11, 12, 13, or 14 of the Amended Joint Plan.

- 13 Paragraph 4.08(e) of the Amended Joint Plan shall become paragraph 4.08(f) and a new Paragraph 4.08(e) as follows shall be ADDED:

4.08(e) Independent Bank's Allowed Secured Claim will be subject to Paragraph 2.16 of the Plan; *provided, however*, that Debtor will execute a new or modified note reflecting the Plan modifications of the Note on which the Bank's claim is based and the current third party obligors (Guarantors Creed Ford III and Lynn Ford ("Current Guarantors")) shall each execute new guarantees of the new or modified note in a form and containing terms acceptable to Independent Bank with the effect that the Guaranteed Indebtedness shall include any and all indebtedness owed or that becomes owing evidenced by such new or modified note .. Paragraph 2.16 shall not apply to the current third party obligors of Independent Bank's unsecured Pre-Petition Claim.

14. Paragraph 4.10(c) shall become Paragraph 4.10(d) and a new Paragraph 4.010(c) follows as follows shall be ADDED:

4.10(c). Notwithstanding the foregoing Paragraph 4.10(b), the claim of William Shelton ("Shelton") shall be satisfied as follows per an order entered by the Court on December 4, 2014 [Dkt. No. 631]: Shelton shall have an allowed unsecured claim of \$105,000 which shall be satisfied by the Debtor's payment of \$29,400.00 to him through his counsel at any time on or before February 28, 2015.

15. ADD Paragraph 5.09 after Paragraph 5.08 to Article V:

5.09 Notwithstanding the foregoing provisions, the following leases and executory contracts and the claims in connection therewith shall be governed by the provisions of prior Orders in this case approving the agreements of the Debtor and particular parties:

- a. Lease Agreement dated July 8, 2002 as amended by and between Kona Restaurant Group, Inc. ("KRG") and Megaplex Four, Inc. ("Megaplex Four") [Dkt. No. 638];

- b. Lease between Kona Restaurant Group (“KRG”) and RB River IV, LLC and RB River VI, LL [Dkt. No. 623];
- c. Foodservice Distribution Agreement- Debtor and Glazier Foods Company [Dkt. No. 583]
- d. Lease Between Debtor and MB San Antonio Brooks Limited Partnership: agreement of the parties is that the Cure Amount will \$5,000 paid on or before the Effective Date as will the December rent, if it has not been paid

THE FAILURE TO BE LISTED ABOVE OF ANY EXECUTORY CONTRACT OR LEASE WHICH IS SUBJECT TO A PRIOR ORDER RESOLVING THE STATUS OF SAID AGREEMENT OR THE CURE AMOUNT DUE ON AN ASSUMPTION SHALL NOT CONSTITUTE A REPUDIATION OR MODIFICATION OF THE PRIOR ORDER, WHICH SHALL CONTINUE IN FULL FORCE AND EFFECT UNLESS A SUBSEQUENT ORDER IS ENTERED BY THE COURT OR THE PARTIES EXECUTE A WRITTEN MODIFICATION AFTER THE CONFIRMATION.

16. The phrase beginning with “provided, however,” at the end of Paragraph 8.06 of the amended Joint Plan shall be DELETED and replaced by:

“provided, however, that the foregoing release shall only apply to claims belonging to the Debtor or the bankruptcy estate OR those against the Debtor and provided further that neither the Debtor nor any other entity shall be released from obligations under leases assumed pursuant to 11 U.S.C. § 365.”

Any reference to “affiliates” shall be deemed to reference the definition of “affiliates” as defined in this Modification.

17. Paragraph 8.07 will be REPLACED with the following:

8.07 The Committee and its members (collectively, the “Committee Parties”) are hereby released and exculpated from any claim related to any act or omission derived from, based upon, related to, or arising from the chapter 11 Case, formulation, preparation, dissemination, negotiation, or filing of the Disclosure Statement, the Plan (including any term sheets related thereto), or any contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement, the Plan, the filing of the Chapter 11 Cases, the pursuit of Consummation, and the administration and implementation of the Chapter 11 Cases and the Plan; provided, however, the foregoing shall not be deemed to release, affect, or limit any of the rights and obligations of the Committee Parties from, or exculpate the Committee Parties with respect to, any of the Committee Parties’ obligations or covenants arising under the Confirmation Order, the Plan, the Plan Supplement, and any contracts, instruments, releases, and other agreements or documents delivered in connection with, or contemplated by, the foregoing; provided, however, that the foregoing shall not release or exculpate any of the Committee Parties for acts of gross negligence, willful misconduct, fraud, criminal conduct, intentional unauthorized misuse of confidential information that causes damages or *ultra vires* acts as determined by final order, but in all respects such

Committee Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Committee Parties have participated in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of the Securities pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

18. The following NEW Paragraph 8.08 shall be ADDED to the Amended Joint Plan:

Counsel for the Debtor, the Committee or GUC Trust as its "successor", or the affected third party shall have twenty-one (21) days after the deadline for filing these descriptions by creditors to object to same. If no statement is filed by a creditor as set forth herein, the creditor shall be deemed to have fully consented to release of any claims it might have against the affected third party pursuant to the provisions of Paragraphs 2.16, 8.06 and/or 8.07, whichever may be applicable. The Court shall determine any objections filed to the full extent of its jurisdiction. If an objection to a notice or an objection to same is sustained by the Bankruptcy Court, any claims by a creditor against a third party for a claim owed by the Debtor or arising in or related to the Debtor shall be released pursuant to the provisions of Paragraphs 2.16, 8.06 and/or 8.07, whichever may be applicable.

After such time, the GUC Trust may continue to complete such reports and provide the information as provided herein, but shall not be under an obligation to do so. PLEASE TAKE NOTICE that on December 8, 2014, the United States Bankruptcy Court confirmed the Amended Joint Plan of Reorganization filed by the Debtor and the Unsecured Creditors' Committee dated October 29, 2014 as modified at the confirmation hearing ("Plan"). The Confirmation Order was entered on December __, 2014 at Docket No. ____.

YOU ARE HEREBY GIVEN NOTICE of the following deadlines under the Plan. This notice applies to selected deadlines only. Creditors and parties in interest should make their own determination as to whether any other deadlines are applicable to them.

2. **Bar Date for Filing Administrative Claims.** All Administrative Claims (as defined in the Plan) shall be filed on or before March 16, 2015 or shall be barred.
3. **Bar Date for Filing Cure Claims.** In the event that any landlord or counterparty to an executory contract disputes the amount listed by the Debtor in the Notice of Changes to Status and Debtor's Position on Cure Amounts Pursuant to Sections 5.02 and 5.08 of the Joint Plan of Reorganization dated October 29, 2014 (Docket No. 605) as the amount necessary to be paid to cure any arrearages under a lease or executory contract being assumed under the Plan (unless provided for otherwise in the Confirmation Order), it shall file its objection on or before February 23, 2015 or shall be conclusively bound to the amount listed in Docket No. 605.
4. **Objections to Third Party Modifications or Releases.** The Plan contains provisions in paragraphs 2.16 and 8.06 which modify and/or release the ability of a creditor to pursue a claim against a third party (including officers, directors, guarantors and responsible parties under applicable law) who may also be liable upon a claim arising from an obligation of the Debtor. If any creditor (other than any party whose claim was subject to specific provision
